

PDACC LEGISLATIVE ACTION TEAM ALERT!

Working to protect our member businesses

Your PDACC Legislative Action Committee convened on Jan. 23, 2017 with representatives from Congressman Ruiz, Assembly-members Garcia and Mayes, Senator Stone and Supervisor Benoit's offices.

We identified 4 Bills as "Job Killers"

PDACC OPPOSES AB5, SB33, SB62, and SB63

PDACC sent **letters of opposition** to Sacramento to be entered into the record at all committee hearings where these bills are considered so that **YOUR** voices are heard.

AB 5 (Gonzales) Employers: Opportunity to Work Act

Requires all employers to offer employees extended hours, and to justify a need for all new hires. Exposes employers to multiple threats of costly litigation.

SB (Dodd) Arbitration Provisions

Unfairly undermines arbitration provisions in business contracts for goods and services. Creates loophole, potentially increasing litigation costs.

SB 62 (Jackson) Family Care and Medical Leave

Expands covered (extended) family members, risks litigation, potentially provides an additional 12 weeks of protected leave with full benefits.

SB 63 (Jackson) Parental Leave

Imposes new maternity and paternity leave mandate of 12 weeks of protected employee, affects businesses with as few as 20 employees, increases costly litigation.
