UCPIE to Host “Mission is Possible” Casino Night to Support Disability Services

An evening of gaming, cocktails, and entertainment will raise funds for individuals with disabilities in the Inland Empire.

PALM DESERT, CA (Date) — United Cerebral Palsy of the Inland Empire (UCPIE) is rolling out the red carpet for an exciting casino-inspired fundraiser, *Mission is Possible: Fundraising with Flair*, on Thursday, April 24, 2025, at Classic Club in Palm Desert.

This secret agent-inspired evening will bring together community members, business leaders, and philanthropists for a thrilling night of casino games, live entertainment, and specialty cocktails—all in support of UCPIE’s mission to provide essential resources for individuals with disabilities.

Guests will step into a world of intrigue, testing their luck at Las Vegas-style gaming tables, sipping handcrafted drinks, and enjoying an atmosphere of excitement and camaraderie. The event offers a unique opportunity to support a life-changing cause while enjoying a sophisticated, high-energy night out.

“This event is more than just a fundraiser—it’s an opportunity to come together and make a lasting impact,” said John Sprogis, CEO of UCPIE. “The support we receive helps individuals with disabilities access the programs and services they need to thrive.”

A Mission Worth Accepting

Proceeds from *Mission is Possible* will directly support UCPIE’s programs, which provide critical services such as inclusive sports, after-school care, respite support, and assistive technology for individuals with disabilities.

Tickets start at \$200 per person, which includes access to gaming tables and entertainment.

Opportunities for businesses and individuals to support the cause at a deeper level are available through event sponsorships.
