

## Email Protection & Privacy Policy 2012

The Palm Desert Area Chamber has created this email privacy policy to demonstrate our firm commitment to our member's privacy and the protection of their electronic information.

If you have received an email from the Palm Desert Area Chamber of Commerce, it will state a [name@pdacc.org](mailto:name@pdacc.org) ([www.pdacc.org](http://www.pdacc.org))

- A. Your email address is either listed with us as a contact who has expressly shared this email address for the purpose of receiving information in the future (opt in), OR
- B. You have registered or purchased or have an existing membership with us, in which you provided the Palm Desert Chamber with your email address for communication purposes. This includes your email availability to interested parties on the chamber website [www.pdacc.org](http://www.pdacc.org)

We will **NEVER** sell, or rent individual email information with anyone without your advance permission or unless ordered by a court of law. Information submitted to us is only available to employees of the Chamber managing this information for Chamber purposes, ie: contact for information, updates of events, referrals from interested parties, etc. We do not provide any member or non-member with our membership database containing email addresses. Only members can purchase membership databases which include only member name, contact, phone, fax, address, website address, and business type/category within the Chamber.

Each of our broadcast emails (HTML) via Constant Contact or other means contains an easy, automated way for you to cease receipt of Chamber emails from us. If you wish to do this, simply click on the OPT OUT option on the bottom of the email, or reply with REMOVE in the subject line of an email to us.

Please send any suspicious, unsolicited, or other electronic correspondence that is purported to be sent from our database with an unknown sender or non-chamber related email address. Send those emails to [info@pdacc.org](mailto:info@pdacc.org) for our review and action.

If you have any questions, please do not hesitate to contact us.
